**Web site of the presidency**

The Web site of the presidency of the Security Council can be visited at <www.un.org/sc/presidency.asp>.

**Recorded information**

Recorded information about previously unscheduled meetings and consultations of the whole of the Security Council may be obtained by calling 1 (212) 963-8530, or by clicking on "Daily Programme" on the Web site of the Security Council <www.un.org/Docs/sc>.

**Prepared statements**

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (room S-394).

**Opening for signature**

In accordance with its article 15, the Convention on Cluster Munitions will be open for signature in Oslo by all States on 3 December 2008 and thereafter at United Nations Headquarters in New York until its entry into force.

Certified true copies of the Convention, of which the Arabic, Chinese, English, French, Russian and Spanish texts are equally authentic, will be prepared and will be transmitted to all States as soon as possible.

Full powers are distinct from credentials. Credentials alone are not adequate for the purpose of signing a treaty.

**Web site of the presidency**

The Web site of the presidency of the Security Council can be visited at <www.un.org/sc/presidency.asp>.

**Recorded information**

Recorded information about previously unscheduled meetings and consultations of the whole of the Security Council may be obtained by calling 1 (212) 963-8530, or by clicking on "Daily Programme" on the Web site of the Security Council <www.un.org/Docs/sc>.

**Prepared statements**

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (room S-394).

**Opening for signature**

In accordance with its article 15, the Convention on Cluster Munitions will be open for signature in Oslo by all States *today,* 3 December 2008, and thereafter, at United Nations Headquarters in New York until its entry into force.

Full powers are distinct from credentials. Credentials alone are not adequate for the purpose of signing a treaty.

**Prepared statements**

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (room S-394).

**Convention on Cluster Munitions**
**Dublin, 30 May 2008**

**Opening for signature**

In accordance with its article 15, the Convention on Cluster Munitions is open for signature at United Nations Headquarters until its entry into force.

Certified true copies of the Convention, of which the Arabic, Chinese, English, French, Russian and Spanish texts are equally authentic, will be prepared and will be transmitted to all States as soon as possible.

The Secretary-General takes this opportunity to recall that, under established international practice, only Heads of State, Heads of Government or Ministers for Foreign Affairs are empowered by virtue of their functions, to sign a treaty on behalf of a State without having to produce full powers to that effect. Other representatives wishing to sign a treaty must be in possession of appropriate full powers, which expressly authorize signature of a specific treaty by a named representative issued and signed by one of these authorities. Full powers are distinct from credentials. Credentials alone are not adequate for the purpose of signing a treaty.

The Secretary-General would be obliged if States wishing to sign the Convention could notify, and provide copies of the required full powers in advance to the Treaty Section, Office of Legal Affairs, United Nations Headquarters, New York (tel. 1 (212) 963-5047; fax 1 (212) 963-3693; e-mail holbrook@un.org).

For more information on full powers and a model instrument of full powers, please refer to the *Treaty Handbook* on the United Nations Treaty Collection Web site, which can be accessed at <http://treaties.un.org>.
